Excellence through Teamwork is our Motto!

Multi National Machineries

Wide range of reputed brands of machineries with diversified manufacturing scope

Design Facilities

Simulation, Design done at In-House with Utilization of Cold Forming Simulation Software for High Accuracy and Precision Cold Forming

Reputed Suppliers

Partnerships with reputed companies for critical inputs such as tool manufacturing, advanced tool development & RM

Digitally Potential

Utilization of latest Technologies like G-Suite, Cisco ERP, CPM Easy Form and AutoDesk.

Skilled Workforce

Experience and expertise of over 60 years in the field of Cold Forging

Proactive Management

Flexibility to invest on infrastructure, machineries, equipment and tooling to meet customer specific requirements
